Department of Agriculture, as about \$65,625,000. This, however, is about \$65,625,000. Th mission probably will follow when the Marshall's term expires next month. various railroad groups file their pro- Mr. Caffey's selection caused no par-

months, but probably would be for a the Tammany leaders of President Wi period not to exceed sixty days, during son's inclination to go outside of the which the commission will undertake a comprehensive inquiry into the reasonableness of the railroads' demands. Hearings will be held, it is understood, and shippers compared and give interest in New York politics, he worked with the independent Demonstrate of the reasonable to the state of the railroads' demands.

Hearings will be held, it is understood, and shippers, commercial and civic organizations, state and utilities commissions and other interested parties will be heard.

Eastern railroads, it is understood, virtually have abandoned their pian to have the proposed increase of 15 per cent go into effect without investigation by the commission, and have intimated that they either will withdraw that portion of their petition, or content themselves with an adverse ruling made by the railroads to have the period of suspension limited to thirty days, in view of what they characterize as an emergency situation.

Hale Holden, president of the Chicago, Burlington & Quincy, representing the Western group of roads, an-

R. R. Rate Increase

May Be Suspended

During an Inquiry

Commerce Board Expected to Delay Advance for Sixty Days

Percentage of increase the Western roads would ask for, but it is understood that they will join the Eastern lines in asking for 15 per cent. Committees of both Eastern and Western lines, Mr. Holden said, were working or the proposals at New York.

In coupling with increased wages in the cost of fuel, supplies, equipment and various-classes of labor as reasons why a general advance should be authorized, officials think the railroad have added to the complexities of the case, tending to lengthen the proceedings preliminary to a decision. The commission is understood to have been prepared for an application to advance rates sufficiently to reimburse the roads for increased wages, but almost Plans Public Hearing roads for increased wages, but almost totally unprepared for petitions asking for sweeping advances in all rates based on other grounds as well.

Coupling Cost of Supplies with Caffey to Replace Marshall as U.S.

Marshall's term expires next month.

Mr. Caffey's selection caused no particular enthusiasm in Tammany circles as he has not been closely identified as he has not been closely identifi Such suspension, it was indicated, as he has not been closely identified would not be for the customary six with the Murphy organization. Caffey's with the Murphy organization.

days, in view of what they characterize as an emergency situation.

Hale Holden, president of the Chicago, Burlington & Quincy, representing the Western group of roads, announced after a conference late to-day with Commissioner McChord that Western roads would file their formal petition for increased rates next week.

Mr. Holden did not indicate what tan clubs.
